

Bona Prime Intense

Bona Prime Intense

Bona Prime Intense is a one-component waterborne 100% polyurethane primer for use on wooden floors prior to overcoating with Bona waterborne finishes. Bona Prime Intense is easy to use, abrade and gives an even well-bodied look with a rich colouration

Key Benefits

- Designed for use with all Bona waterborne finishes
- Being based on a top coat dispersion gives top coat properties
- High viscosity
- Well-bodied surface
- Rich wood colour
- Can be abraded with sanding disc or screen
