

# Bona Edge XL

## Technical data sheet

Sanding 

The longer-armed Bona Edge XL (220 mm) is an extremely powerful edge sander. It can be fitted with 'holed discs' or Velcro-backed discs and picks up dust better than most edge sanders on the market. It is equipped with lamps for better visibility and is easy to operate. For optimal dust reduction, the Bona Edge XL is compatible with Bona DCS 70 (Bona Dust Containment System).

### Application

For edge sanding of all kinds of wooden floors and parquet floors

### Key Benefits

- Effective dust pickup
- High sanding ability
- Powerful motor
- Efficient vacuuming
- Very maneuverable
- For both discs with holes and Velcro discs
- Easy to carry
- Dust containment ready

### Technical data
